A fraction $\frac{1}{4}$ is displayed inside a white rectangular box with a thin black border. The numerator '1' is positioned above a horizontal line, and the denominator '4' is positioned below it. Both the numbers and the line are filled with a vertical rainbow gradient, transitioning from red at the top to blue at the bottom.

A fraction $\frac{1}{5}$ is displayed inside a white rectangular box with a thin black border. The numerator '1' is positioned above a horizontal line, and the denominator '5' is positioned below it. Both the numbers and the line are filled with a vertical rainbow gradient, transitioning from red at the top to blue at the bottom.
